

## Eric Cowden

*Associate Director of Operations*

AFM & SAG–AFTRA Fund

The **AFM & SAG–AFTRA Intellectual Property Right Distribution Fund** has promoted **Eric Cowden** to Associate Director of Operations. Cowden's responsibilities will include overseeing all of the Fund's music research and royalty distribution for the Sound Recording, AV and Symphonic divisions. A 25-year

veteran of the recording industry, Cowden started as an audio engineer working on film, television and album projects with such luminaries as John Williams, Ella Fitzgerald and Frank Sinatra at recording facilities including Capitol Records Studios, Sony Pictures and Digital Music Technologies Inc.
